Brewed wine people know, take the snake and soaked in wine, with ginseng and other fine herbs in traditional Chinese medicine, but the concept of tonic.

the west, we don't know much about the snake and the wine, but there is one person who integrates the two. Kobe effect is still constantly spreading, like a fine wine, waving incense, floating floating, floating over the entire manor. from the black mamba to VINO, but also reflects the Kobe occupation career stages of their different view. In fact, Kobe for the first ten years of occupation career wearing No. 8 foot adidas shoes is very disdain, he thinks the number 24 himself is the most glorious peak story, but No. 8 Kobe but feel more real.

also in Kobe's retirement on the occasion, Kobe's shoes brand owner Adidas launched VINO Pack, this pair of shoes is taken from Kobe the nickname Nike fade to black although not suit so unpopular, but from the appearance, you can think of to do quite authentic "". Kobe by walking a fine line, you may feel not kind, and cigar creative in the Nike LeBron series Air Jordan CC set the cork and wine has been used, but put aside these external factors, it is very worth pondering goloshes. the tongue is another highlight, Nascita is the Italian "born", meaning Kobe spent his childhood in the Apennine Peninsula, grape pattern below Nascita word, on behalf of the Italy Wine superb technology.
