, if you know Teng Yuan Hao's friend, you must know, he's the absolute dead color of Leica. However, our domestic brand HUAWEI in the recent launch of the flagship model? P9 happens to be designed by double Leica lens, middle tide Godfather wants, so he could not resist the temptation to bask in the mobile phone, Instagram to share with you?. I think it would be better if the two sides could work together. 2. scrap sneakers now have new uses,

artist Christophe Guinet is very good at turning flowers into a work of art, and is often inspired by sneakers. But this time he will "pot", as the shoes on the shoe for the flower, it is provided a new use of a waste of shoes to us, if you are not home on foot shoes, as well as the video as a try. 3. "So Help Me God" theme series, single product

instagram: hypebeast brought a series of "I Feel Like Pablo" theme clothing and stores after Kanye, and I believe everyone will not be unfamiliar with its seventh album "The Life of Pablo". But before the album was officially named "The Life of Pablo", it actually had other names. "So Help Me God" is one of them. And what would the album look like if it were "So, Help, Me, God"? The design unit, alt-native, gives the answer. They are "So H>"
